THE BELLS BENEATH BRACKENFORD

Niko Nightstriker | Session 5

Starfall Spire

Old observatory. Documents belonging to Eldrin Valtoris.

Kael recognised the name.

One document describes residual magic remaining in the blood after healing. Possible connection to his Echo.

Shadow moth appeared near Karma.

Faelan reading blood magic inscriptions.

Magical constructs attacked when we took the astrolabe.

The observatory has a map showing three locations beneath Brackenford.
