THE BELLS BENEATH BRACKENFORD

Idris | Session 8

Big machine under reservoir.

Othric there. Black crystal. Metal rings.

Everything went wrong.

Shadow monsters.

Kael and Echo attacked Othric.

Faelan did something to floor writing.

Karma magic.

I messed with machine using tools.

Niko got the astrolabe.

Machine blew up / stopped.

Othric vanished. Probably escaped.

Flooding. Ran.

Elira paid us.

Things to remember:

- Ask if Mera wants key back.
- What happened to Othric?
- Did we ever find the other bell-ringers?
- Find out what a Gloam Engine is.
- Buy rope
- Buy more rope.
