THE BELLS BENEATH BRACKENFORD

Karma | Session 2

SEWERS.

Met Mera Venn. She has an excellent name. Her nephew Jory went missing.

She gave us a key. Iron key. Three waves.

[Drawing: Key. Possibly upside down.]

Found Jory! Very happy ending for him.

Blue lanterns everywhere. Weird cultists. One ran away.

Ashen Choir = bad singing? Probably not actual singing.

Karma note: do not drink unidentified blue liquid.

Actually I didn't. Yet.
