THE BELLS BENEATH BRACKENFORD

Niko Nightstriker | Session 2

Sewers

Mera Venn. Half-elf. Locksmith. Nephew Jory missing.

Gave us an iron key to the old sluice gate. Three waves stamped into it.

Found Jory underground.

Blue lanterns. Cult markings. Passage towards bellfoundry.

Ashen Choir.

One escaped. Could have followed but tunnels too narrow.

Mera's nephew is safe.
