# THE BELLS BENEATH BRACKENFORD

Karma | Session 7

Meeting with Ysabet and Anwen.

Three seals. Three locations.

The final one is under Saint Orra's Reservoir.

Niko got some possible cure ingredients. Moon-salt, special heartwood and vampire blood.

Faelan and Ysabet spent ages talking about blood magic.

The shadow moth came back!!

It landed on my shoulder. It is either a magical friend or a terrible omen.

Asked Ysabet about Eldrin. She looked uncomfortable.

Something is definitely going on there.

*[Drawing: Shadow moth with crown. Name suggestions: Midnight, Flutter, Lord Wing.]*
